EULAR ORDER FORM Ur e

To make chunky panels, shelves, cabinets or work tops this solution is flexible for all and is custom made to your perfect size. From 38mm folded over to 500+ mm deep as an end panel, your options as a designer now have few limits. This solution is of one-piece construction providing an exceptional finish for chunky furniture. All panels are manufactured using 18mm board only.

Qty	Option (1-11)	Height	Grain Direction	Α	В	С	D	Е	F	G
